Aleh Foundation
5317 13th Avenue
Brooklyn, New York 11219

Dear Friends:

On behalf of all Brooklynites, I salute the good people of the Aleh Foundation as you celebrate your Annual Breakfast on January 11, 1997.

The Aleh Foundation has long provided high quality, and highly successful rehabilitation services to children with developmental and physical disabilities. In the past five years, nearly 25 children have been able to return to their homes and communities on an outpatient basis. The entire leadership and staff of the Aleh Foundation should be commended for this and other outstanding achievements on behalf of disabled children.

The Aleh Foundation has much to celebrate, having created an adult employment center and established a new residential facility in Jerusalem which will provide treatment for an additional 60 children. This expansion has furthered the mission to provide "help for the child who is down."

Best wishes to everyone at the Aleh Foundation.

Sincerely,

Howard Golden
